TEAM WORK

We are a small but dedicated team of people who are committed to providing a high quality service. Our strength is our personal service and willingness

to satisfy our clients and we strive to ensure their expectations are met.

4 | OUR STORY

... SO FAR

Azhar Afar Trading was formed in 2004 As a Local Community Company with government support to encourage small Omani owned enterprises to service the basic requirements of the multinational oilfield companies working in Oman.

AAT started business with manpower supply but quickly moved into the field of lifting and transport. A contract with FOS Energy for provision of vehicles, cranes and well test units-SMS move was secured in 2009 and is still in place.

A further contract till 2020, with Occidental Oman through Weatherford for provision of mobile cranes to support Beam Pumps assembling was secured in Mukhaizna , contract with Fahud Energy Services (FES) was secured in 2016 and is still in place a further contract till 2021 for provision of rig move plus all basic equipment's and trucks required for the rig.

Our Mission ...

We aim at all times to bring our valued customers the best quality services with the best prices in the market.

Our Vision ...

To be one of the leading oil field Transportation services companies in Oman.
